**Prayer Points:**

- Thanks giving for each woman in the church / healing and blessings / that God continues to bring us more closely to each other / continue to encourage women from the Church to come to the meetings and to get more involved
- That God will continue to transform our lives, so that he can use us to change other lives through us
- for God’s wisdom how to reach out and get involved with the community and how we can serve the community as women of the church - to see people accepting Jesus Christ as their Lord and Saviour in their life’s - to see more love, peace and joy in Harringay
- That we all feel and be reminded how much God loves us and to be able to love him back with our whole heart and to love ourselves and our neighbours.
